ORGANIZATION IS DELAYID

Newly Elected Committeeman Do Not Get Together Promptly-Informal Meeting Last Night-Contest Over Chairmanship Expected.

Althought the new city Democratic committeemen were supposed to go into office on July 1, the result of the recent primary, in which the committeemen were elected, becoming final after June 30, the affairs of the Democratic party in the city are still in the hands of the old committee. Apparently on account of a misunderstanding as to the manner in which the new committee is to be called together for organization, no meeting has been held and the members of the new body have not been officially heard from since their election.

mot been officially heard from since their election.

Mr. Allan D. Jones, chairman of the old committee, called a meeting of that body for last night at the court house, in order to wind-up husiness matters and get everything in shape to turn the affairs of the party over to the new organization. No quorum was present and the secretary did not put in his appearance, but the chairman and several other members succeeded in disposing of most of the business at hand.

When asked about the new committee, Mr. Jones said that he had nothing to do with the matter and that he was simply closing up the business of the body of which he was chairman.

It is expected that the members of the new committee will get together
